**New Product**

Performance and durability upgrades developed specifically for Australia's harsh environment

Developed with no fewer than 9 improvements to the original design including:

- New pinion design to improve engagement
- New solenoid design to increase soft start torque
- Upgraded IMS control circuit wire to withstand higher current and reduce voltage drop
- Upgraded thermal resistance for improved durability

**Q DR 8201063 Suits:** Cummins, Caterpillar & Detroit S60  
**Q DR 8201065 Suits:** Detroit DD13 & DD15

# BRAKE SAFELY, STOP QUICKLY.

**ConMet TruTurn® Brake Drums**  
Precision-Balanced Technology

**CONMET®**

**Drum strength is increased through the "Turned-to-Balance" machining process.**

TruTurn brake drums eliminate the need for weld-on weights and balancing cuts for improved strength and no added weight.

**TruTurn drums are machined inside and out.**

Dimensional consistency is ensured by the machining process, which precisely shapes 95% of the surface area of the drum.

**Full machining lowers drum temperature.**

Because ConMet machine the entire surface, TruTurn drums have a consistent wall thickness, which helps keep them cool and minimises cracking due to 'hot spots' and uneven heat distribution.

**Precisely machined surfaces reduce vibration.**

A precisely machined drum minimises brake "judder" and vibration, so drums last longer and deliver better overall braking performance.

Drum (Front)	Drum (Front)	Drum (Rear)
16.5" x 5"	16.5" x 6"	16.5" x 7"
10 Stud FTL	10 Stud FTL	10 Stud GP
Q CM 10014756	Q CM 10033071	Q CM 10009830
<b>\$107</b>	<b>\$120</b>	<b>\$130</b>

## Delivering superior stopping power and exceptional performance.

## ALLIANCE TRUCK PARTS LUBRICANTS.

### AFM CJ-4 15W-40 Heavy Duty Diesel Engine Oil, 20L

Q ABP AFM4216020

**\$110<sup>ea</sup>**

Now has JASO DH-2 approval for a range of Japanese commercial vehicles.

#### Approved for use in:

- Freightliner Service Plans
- Detroit DD15, 60,000km extended oil drains

#### MEETS THE FOLLOWING PERFORMANCE REQUIREMENTS:

- ACEA E9/E7
- Allison C-4
- API CJ-4/CI-4 Plus/CI-4
- CAT ECF-3
- Cummins CES 20081
- Detroit Diesel DDC 93K218
- JASO DH-2
- Mack EO-O Premium Plus
- MAN M3575/31275-1
- MB Approval 228.31
- Volvo VDS-4

For more information visit [www.alliancetruckparts.com.au/lubricants-coolant](http://www.alliancetruckparts.com.au/lubricants-coolant)

#### FEATURES & BENEFITS:

- Improved soot handling
- Improved oxidation control
- Superior valve-train wear protection
- Backward compatibility
- Enhanced low-temperature pumpability

#### OFFER 1

#### Receive one FREE Genuine Detroit Oil Filter Kit

A4721800509

*Suits:* Detroit DD13 & DD15

#### OFFER 2

#### Receive one FREE Fleetguard Oil Filter

LF9080

*Suits:* Cummins ISX

Purchase 2 x 20L AFM CJ-4, 15W-40 Engine Oil and receive a FREE oil filter.

# BETTER PARTS. GOOD PRICES. ALLIANCE TRUCK PARTS.

### Coilmaster Heavy Duty Suzi Coil Std

Q ABP 4000

**\$72**

### Coilmaster Heavy Duty Suzi Coil Long Tail

Q ABP 4750

**\$77**

#### Coilmaster features:

- Compliant to Standards ADR-38/04, ISO 7375 and ISO 7628
- Weight 50% lighter than conventional Type B suzi coils
- Heavy application performance design
- Unique fitting to tube terminal design and assembly
- Flexible handle sleeves included for positive connection and disconnection of the coupling
- Oil, diesel and UV resistant
- Excellent flexibility and recoil memory

Unique fitting to tube retention

Flexible handle sleeve

### Supercoil Anti Kink Std Tail

Q ABP 7000

**\$84**

### Supercoil Anti Kink Long Tail

Q ABP 7750

**\$85**

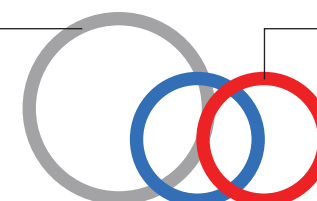

#### Supercoil features:

- Compliant to Standards ADR-38/04, Tested to DIN 74323, 74324 and ISO 7375 A1
- Anti kink thermoplastic polyurethane material
- Excellent abrasion resistance
- Excellent mechanical properties, combined with a rubber-like elasticity
- Oil and diesel resistant
- High UV resistance (>4000 hours of accelerated testing to ISO 4982-2)
- 40% lighter than traditional Type B suzi coils
- High elasticity with excellent flexibility and recoil memory
- Compact coil size, diameter 74mm

Regular suzi coil 130mm diameter

Supercoil Compact 74mm diameter coil

### Stainless Steel Truck Pack Hub Cap Kit FTL

Q ABP 910311SFL6ASR

**\$185**

#### Includes:

- Freightliner badging
- 10-285mm, multi locator, raised front caps
- Stainless steel construction
- Nut cover removal tool

### AGM Starting Battery 925CCA

Q EPM AE9A31P

**\$315**

#### Features:

- 925CCA
- Absorbed glass mat (AGM) construction optimises acid-to-plate contact, increasing power delivery and performance longevity
- Resists vibration damage for better performance and longer life
- Tough stainless steel terminals prevent corrosion for better power transfer and performance

*Suits:* Late Model Freightliner
