The offers presented are subject to stock availability during the promotion period and are available at Daimler Truck and Bus participating dealerships only. Participation can be determined by calling 1800 033 557 or by calling your nearest dealership. Parts listed may be VIN specific, parts advertised have been identified to suit the majority of the models specified. Part numbers should be checked against the VIN to ensure suitability. For assistance, please contact your nearest participating Daimler Truck & Bus dealership prior to purchase. Prices within this promotion are recommended maximum selling prices including GST, excluding labour and fitment costs from a participating dealer. Prices will be valid during the promotion period stipulated at the front of this catalogue. All items have been included in good faith on the basis that they will be available during the promotion period. Photographs are for illustrative purposes only and may not represent actual products. We reserve the right to correct all printing errors. Where third party images and content appear, this has been done with the appropriate approval. Freightliner and Alliance Truck Parts are registered trademarks of Daimler Trucks North America LCC, distributed by Daimler Truck and Bus Australia Pacific Pty Ltd. ABN 86 618 413 282.

ALLIANCE SPRING BRAKES AND CHAMBERS.

Alliance Brake Chambers are designed to provide years of safe, dependable operation for service, parking or emergency braking applications. These Alliance Brake Chambers feature rugged construction, heavy-gauge housings and steel components to reduce corrosion and potential equipment failure.

FEATURES AND BENEFITS:

- Treated and coated for corrosion protection, dramatically extending life
- Steel internal rod and slotted centre seal design improves alignment of moving parts and prevents premature seal wear
- Synthetic blended rubber diaphragms for superior resistance against abrasion and fatigue cracking
